Dear Upoharians,

There are only 5 more days to Mahalaya!

Mahalaya elicits in us an emotion that is so strong, we immediately recall the excitement whilst setting the alarm the previous night so that we remember to wake up the next morning and switch on the radio at 4a.m., and hearing the soulful rendition of “Mahishasur Mardini” by Birendra Krishna Bhadra.

His mesmerising rendition of the shlokas, along with the beautiful songs, still entrances us all, and heralds the homecoming of our beloved Ma Durga.

We take immense pleasure in inviting all of you to celebrate Mahalaya together, by listening to “Mahisasur Mardini”, on

Sunday 25th September, 2022, at the Central Greens at 4AM.

Light refreshments will be provided to all attendees.

We look forward to your enthusiastic participation!

Thank you.

Best Regards,
